

A horizontal stacked bar chart showing the composition of 11 different samples. The x-axis is labeled 'Composition (%)' and ranges from 0.0% to 1.5%. The bars are composed of segments of various colors: purple, orange, green, red, light green, dark green, blue, and light blue. The total length of the bars varies, with the longest bar reaching approximately 1.5%.

Sample	Composition (%)
1	~0.25
2	~0.35
3	~0.40
4	~0.20
5	~0.35
6	~0.45
7	~1.50
8	~0.90
9	~0.75
10	~0.15
11	~0.90
